

# SYNERGY 2022 REPORT

The engineering semesters are full of studies and academics, to do something beyond it, every year our college celebrates the most awaited season of cultural festival. Like every year, this year too “**SYNERGY 2022**” was celebrated on 8<sup>th</sup> and 9<sup>th</sup> April 2022. The two days of Synergy provided students a platform to think and perform inside as well as out of the box. We had various events like Antakshari, Quiz, Debate, Group discussion, Dance, Drama, Standup comedy, Singing, Fashion show, etc. The total approximate count of students and staff for the complete event was 700. All the coordinators worked really hard to do justice to this thematic event.

INAUGURAL FUNCTION

**ART GALLERY**

**VISIT OF MANAGEMENT REPRESENTATIVE Mr. Satish Shenoy to Synergy 2022**

**Felicitation of team Coordinators-Synergy 2022 by Mrs.Kadambari Vaidya**

The first day started Inaugural Function with Cultural Key-note speaker, Mrs. Kadambari Vaidya, Artist and Choreographer, Khed. We were very glad to have with us our trustee representative, Mr. J. K. Patil & Principal Dr. S. H. Gharat at the inaugural function. Inauguration was followed by Quiz and Group Discussion. Also, our Management representative, Mr. Satish Shenoy visited the event. Huge number of students were present from the very start of the event. Teachers also took time out of their busy schedule and joined the students in their celebrations. Final rounds for quiz were then followed by refreshment. The main stage event started with excellent dance performance. Students showed their best skills in all kind of events with enthusiasm and willingness. The main attraction for the evening stage event was Fashion Show.

**STAGE PERFORMANCES**

**SYNERGY 2022 CHAMPIONSHIP TROPHY WINNER-COMPUTER ENGINEERING DEPARTMENT**

**SYNERGY PRIZE DISTRIBUTION**

This year Anchoring committee did a great job and made wonderful evening. Stage decoration was the wonderful part of Synergy and the coordinators did a great job through their innovative concepts.

An art exhibition, was arranged by all the students where artistic skills of GITians was showcased. The exhibition had various sketches, drawings, painting, artworks, rangoli, poems, photographs, etc. Also prizes were given to winner of all the categories.

The second day started with final rounds for Antakshari and staff antakshari. The evening was full of celebration in the form of cultural program. It also included fashion show competition for various group themes. The students came with different kind of themes and presented themselves. Finally, Prizes were given to all the Synergy winners. The night ended with the

announcement of the Synergy championship trophy of 2022, which was won by Computer Engg. Department.

With a wonderful management and smooth functioning system, this year's cultural festival made beautiful memories and left traces in the minds of everyone who was a part of it.
