

SHODH 2018- A National Level Technical Festival

SHODH 2018, a National Level Technical Festival was organized at GIT on 10th-11th March, 2018.

Objectives of the event:

1. To enhance technical knowledge of the students
2. To provide platform to students to expose their talent and share their innovations
3. To develop team building and management skills in students

The inauguration function was on 10th March 2018 at GIT auditorium. SHODH 2018 was inaugurated by chief guest Dr.P.R.Patnaik, Managing Trustee Dr.M.G.Gokhale and Principal Dr. P.S.joshi. The program started with technical inauguration followed by felicitation of guests. Student conveners Mr.SairajKhatu and Ms. ShivaniSambre, in their introductory speech, explained about the theme of SHODH, "Multiskilling is the key of success". Chief guest Dr. P.R.Patnaik, in his key note speech discussed about various skills necessary for the future engineers. He encouraged the students to opt for research and share their innovative ideas.

Department of Electronics and telecommunication organized two exhibitions viz. 'Galaxy world' and 'Photo Gallery' which were also inaugurated by chief guest. Department of mechanical engineering organized a demonstration of 3-D printing technology. A group of final year students demonstrated a successful flight of quadcopter drone made by them as a part of their project work. There were many technical events organized in each department which contributed to the theme of the program. Students from various nearby engineering colleges and also from other states participated in this event. Students from nearby primary and secondary schools participated in Science Exhibition, which was organized to encourage innovative ideas of students. Various dignitaries from government agencies, industry experts, juries and judges visited the events and expressed their views.

Prize distribution function was held on 11th March, 2018. The certificates and prizes were distributed to all the winners by the hands of Dr. P.R.Patnaik, Dr. M.G.Gokhale and Dr.P.S.Joshi. "The Most Innovative Event" prize was awarded to the event 'Big Boss' organized by Electronics and Telecommunication department. Faculty convener, Mr.A.V.Phanse expressed his vote of thanks. All the GIT students, participants from various colleges, teaching and non teaching staff of GIT were present for this event.
